Reminder CAS is a ‘NUT AWARE’ site. We ask that no Nut Products be brought on site. We have students who are highly allergic to nuts and can suffer an anaphylactic reaction.

South Australian Meningococcal B vaccine study

A number of our students participated in the SA Meningococcal B Vaccine Herd Immunity Study early this year. Scheduled vaccination visits have now been completed but some students have missed the required two doses of the immunisation. Letters have been sent to parents informing them that in order to complete the process, they will now need to contact the immunisation provider.

End of term

A reminder that school finishes at 2:15pm on Friday 29th September and that term 4 commences on Monday 16th October.

Another term is almost done and dusted!
The exciting news for students in the last week was the first CAS Colour Run. We decided to trial the incorporation of the colour to 'liven' up the fun run a little, and it certainly did just that. Students loved the colour, and a number of comments were made about incorporating it at Sports Day – certainly food for thought. The other opportunity that it gave us was to run the event as an R-9 event, with the R-3s having their obstacle course on the lawns and beach area, which was also a welcome change.

The runners, as usual, ran to Pinky Point, with the walkers having two options of shorter courses, as suggested by SRC in feedback last year. Students could choose to end their walk at either the Seaview Village platform or the 'loop' in the track. The year 9s again catered with their Sausage Sizzle fundraiser for Canberra, with other healthy snacks prepared by Laura Brooksbys’s Year 9 Food and Nutrition class to also raise money. A group of Year 9 girls did a great job of selling these

Kokoda Trek – Reconciliation Walk

Next week Beau Halbert and Robin Saunders, both students at Ceduna Area School will leave Australia and travel to Papua New Guinea to walk the Kokoda Trek. Beau and Robin will be accompanied by Wayne Miller (CEO, Ceduna Aboriginal Corporation) and Grant Halbert (Aboriginal Education Teacher, Ceduna Area School). The purpose of the walk is to promote reconciliation and to enable students to gain an understanding of the hardship soldiers experienced in World War Two. On behalf of the school I would like to wish them all the best and am looking forward to seeing the photos and hearing of their experiences when they return.

and the sausages. Thanks to Mr Gravestocks, Mr Prince and Ms Quintal for cooking these.

The weather was kind to us, and the Years 7-9 enjoyed a relaxing afternoon of chatting, cricket, football and utilising the playground area of the foreshore.

Overall, we raised just over $10 000 which goes towards play and nature equipment in Primary School and towards the Port Lincoln and Canberra camps in Middle School. Well done to all those who made the effort to seek donations.

Whilst we congratulate everyone who participated our medal winners for the day deserve extra mention. They were:

SACA T20 BLAST
Tuesday 12th & Wednesday 13th September

T20 Blast a game of 8 players per side, with each bowler bowling 1 over, each batting pair facing two overs, reduced field size, each wicket taken adding 5 runs to the fielding teams batting score and fielding positions rotating each over. Ceduna Area School hosted a Year 6/7 and 4/5 competition over two days with teams from Penong, Koonibba and Streaky Bay joining teams from Ceduna. Games take between 30 to 45 minutes to complete and all teams on both days played 5 games which included finals. The SACA staff were impressed with the cricketer’s skills, sportsperson ship and camaraderie on the day. A big thank you to Coaches/ Chaperones Mr Macgowan, Ms Cuddeford and umpire Lachlan Wilkins.

Year 7 Students undertake Personal Passion Project

Year 7 students are currently undertaking a Personal Passion Project. Students have identified an area/topic/subject which they are really interested in and are developing a research question to direct their investigation. On Wednesday last week they were addressed by 5 local people who have a passion for something in either their business or personal life. Presenters included the following: Felicity Brown - Chief Pilot for Chinta Air, Ian Weber - Family Tree Researcher, John Gascoyne - Author of sporting history, Don Saltmarsh - Harley Davidson and Ulysses Motorcycle Club and Trevor Roberts - Vintage Car Restorer. Each of the presenters provided the students with an excellent account about their passion and gave them the message that "learning is ongoing and goes well beyond your schooling." CAS thanks them for their time and effort. Thanks also to John Gascoyne for providing each student with a copy of one of his books.
