Wellbeing Coordinator Report

This Term we welcomed Ailsa Ormerod from 'Periods, Pain and Endometriosis Program' (PPEP Talk®).

She presented to all the Year 9 Students about periods, the related pains and awareness of endometriosis and Ailsa commented "Just like last Year, your Students were so amazing and an absolute pleasure to engage with!"

Some interesting feedback, that could support conversations about this, was that one hundred percent of the Students found the talk informative and learnt tools to support themselves or others when they are in pain from periods. Some comments were that it "was really lovely and felt easy to talk about" and "it was amazing, so great and very informative".

Of our female Students 58.33% of Students reported regular severe period pain, while 41.67% of Students reported regularly missing School or work due to their period. Some interesting statistics to start a conversation with the young women in your family.

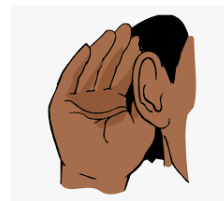

Of our male Students 61.54% wanted to know more about how to support people in their life who have period pain.

As a whole School in 2024 we will be introducing 'The Resilience Project' to all our Students R – 12. Many Schools have become involved in this, on the Eyre Peninsula, other country areas, Adelaide and all over Australia with positive outcomes.

The program delivers emotionally engaging programs to Schools about evidence based mental health strategies to build resilience. Key focus areas are Gratitude, Empathy and Mindfulness, areas that Students have already worked on in the School. For more information the book "The Resilience Project" is available in the Library or visit the website below.

SAPSASA Tennis

**Wednesday 22nd – Friday 24th November
@ Adelaide**

Western Eyre Peninsula SAPSASA Tennis Team were in Division 5 for the State Carnival which was held in Adelaide during Wednesday 22nd – Friday 24th November. The weather wasn't in their favour, with a few light showers happening during the course of the competition. It was a fiercely fought contest all week with great tennis being played. Congratulations to our Western Eyre Peninsula representatives who finished in 3rd position. Absolutely awesome achievement.

Aboriginal Education Teacher Report

It has been great to see such great levels of attendance come back to School in Term 4. It is important your Child keeps coming to School right up until the end of the Year as learning is still happening in the classrooms.

In week 5 we celebrated the first Year of Clontarf being at CAS at the Clontarf Presentation Night. It was great to see some of the Year 5/6 boys there who

love hanging out at Clontarf at recess and lunch, as well as at the Junior Footy Trainings. It was fantastic to see Tysaiah Coleman co-MC for the event, speaking confidently and clearly in front of a loud crowd of people. It was great to see three boys from the Primary section take home awards on the night as well.

Congratulations to Shaun Richards for taking home the Junior Attendance Award, Laquayde Burgoyne for the Junior 'Good Bloke' award and Tysaiah Coleman for taking home the big Junior 'Clontarf Spirit' award. Great work boys, you should be very proud of yourselves.

Ceduna Clontarf Academy Awards Night 2023

The Ceduna Clontarf Academy held its inaugural Awards Night on the Thursday, Nov 16 at Ceduna Area School. It was amazing to see so many Families and Community Members come along to support and reflect on what the Clontarf cohort of 2023 was able to achieve together, whilst recognising and celebrating the individual achievements of different Academy members.

All the young men receiving awards spoke publicly, thanking their Families, School and Clontarf for the support. An incredibly memorable night and a great way to celebrate the first year of the Clontarf Program here at Ceduna Area School.

Jacinth-Ambrosia Mine site Tour

A few weeks ago the Year 11 Students were privileged to take a tour of the Jacinth-Ambrosia mine site. We had access to a range of "industries" within the site such as environment, a tour of a dump truck, the main plant and the mineral sorting lab. We had a range of employees talk about their roles, entry points and career paths within the company. We had a great time and learnt so much about career pathways. Thank you so much to Jess Berry for coordinating the visit and everyone from Iluka who spoke so passionately about their jobs. Thanks also to TAFE lecturers Stewart Jackson and Grahame Goddard for helping to organise and for supporting on the day.

Clontarf Foundation State of Origin Football Carnival

**11th – 12th November @ Collingwood
Football Club Melbourne**

It was a fantastic event where Teams from Northern Territory, Victoria and Western Australia competed in a spirited display of talent and sportsmanship.

Our School was well-represented at the Carnival with three of our Ceduna fellas making significant contributions to their Team. Jahmarri Ware, Robert May & Tremaine Kugena showcased their skills and embodied the values of teamwork. Special mention must be made of Tremaine Kugena who was selected in the Clontarf All-Australian side after producing a stellar carnival performance. The Founder/CEO of Clontarf and former Fremantle Coach

Gerard Neesham said that Tremaine was the first player in his twenty plus years of working at Clontarf, to see an individual remind him of the great Maurice Rioli, following up by saying Tremaine is now his favourite Clontarf Footballer in the entire country!

The Carnival provided a valuable opportunity for our Students to engage in a positive and competitive sporting environment, fostering a sense of camaraderie among participants from different regions. Although Clontarf SA fought hard and narrowly lost to WA, NT & VIC, beyond the scores and outcomes, the event emphasised the importance of Discipline, Leadership, and Clontarf Spirit.

We look forward to more opportunities for our Students to excel both in and outside the classroom.
